

I DO NOT WANT the FCC to preempt my protection from these predator callers. Indiana's Do Not Call Law is working and successful in protecting Indiana residents who requested this protection. Please Do Not Cave In to Pressure from these predators. I have spoken to no one who wishes to receive these calls and as Citizens of Indiana want this protection from unsolicited callers. I pay the telephone bill for my use and convenience, NOT for USE by UNSOLICITED Businesses. If I want to do business with these people, I will contact them. TV, Radio, Newspaper Ads, etc. are available for them to advertise their products. We finally have peace and quiet here in Indiana, I implore you Not to Weaken Our Law and support Indiana Citizens right to be protected.

Thanks
